PRO INDUSTRIAL

ZERO VOC CATALYZED ACRYLIC EPOXY

ADVANCED TECHNOLOGY.

EXTREMELY DURABLE.

FLAWLESS FINISH.

EXTREMELY DURABLE, MULTI-USE COATING FOR BUSY COMMERCIAL SPACES.

Busy school, healthcare, hospitality and commercial facilities require products that provide a great appearance with maximum resistance to chemicals and wear. Pro Industrial Zero VOC* Catalyzed Acrylic Epoxy has all these needs covered. This two-component coating easily stands up to the abrasion, stains and frequent cleanings of high-traffic areas … all while delivering long-lasting performance and meeting environmental requirements.

Best of all, you can rest assured knowing this innovative coating is part of our Pro Industrial line of high-performance coatings. All of these advanced products are specially formulated to withstand the demanding conditions of commercial spaces. Yet they have the flow and feel of a high-end architectural coating, and are just as easy to apply.

PRO INDUSTRIAL ZERO VOC CATALYZED ACRYLIC EPOXY KEY BENEFITS

- **Forms an extremely hard and tough finish, perfect for high-traffic interior and exterior surfaces.**
- **Superior resistance to abrasion, impact, corrosion, chemicals, stains and scrubbing.**
- **Flows easily and levels to a smooth finish.**
- **Very low odor formula is ideal for occupied spaces.**
