

Cashmere®

SMOOTH APPLICATION AND SILKY FINISH.

INTERIOR ACRYLIC LATEX

LUXURIOUS AND ELEGANT FINISH. LOOKS AND SPREADS SMOOTH.

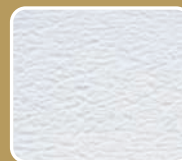

Many paints typically leave brush or roller marks — creating an uneven, stippled appearance. But Cashmere® Interior Latex glides on buttery smooth and levels out... giving walls an elegant, silky rich look. The result is a difference you can definitely see and feel.

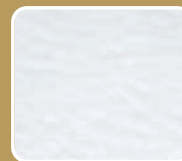

Available in a flat enamel, low lustre, pearl finish or medium lustre in a wide range of colors, Cashmere applies easily, releasing from a brush or roller with limited drag. Best of all, its high-end elegant finish helps you impress your customers, which can lead to more referrals.
