White Lightning® ORANGE PEEL Wall Texture provides a quick & easy solution to matching original orange peel texture on walls with very minimal mess. Available in coarse & fine textures for use on interior walls, drywall, plaster, wood & more.

- Quick & easy spray
- Minimal prep & mess
- Dries in 30 minutes or less

Seamless Touch Up & Repair

1. Make sure the area being repaired & patched is clean & dry.
2. Protect adjacent areas from overspray & other repair products.
3. Complete repairs to walls & wait for proper dry times.
4. Shake can for 2 minutes after ball begins to rattle.
5. Practice spraying on scrap material 12-24” from surface to determine needed pattern and spray technique. A continuous circular style of spraying is recommended, but can be adapted depending on pattern needed.
7. Once dry, add topcoat to match original paint.

Bring product to room temperature prior to application.
