SUPERMAXX® Paint with SUPERBOND® TECHNOLOGY
Various Colors / Sheens

PRODUCT DESCRIPTION
SUPERMAXX™ Paint with SUPERBOND® TECHNOLOGY bonds to hard-to-adhere surfaces while providing maximum rust protection and ultimate strength with no sanding, no priming application. Use on all metals, wood, masonry, concrete, wicker, ceramic, glass, plaster and hard-to-adhere surfaces such as laminate, melamine and plastics.

APPLICATION
Product should be sprayed in a well-ventilated area. For best results, do not use in high humidity. Shake can 1 to 2 minutes and during use. Test spray in an inconspicuous area for compatibility. Hold can 6” to 8” from surface, spray in sweeping motion side to side with slight overlap. Apply multiple thin coats. After use, to prevent clogs, hold can upside down and spray until clear gas appears. To clean paint on spray tip, wear eye protection, and wipe off with lacquer thinner - DO NOT stick pin in spray tip opening. Recycle empty can and cap per local regulations.

PAINTING CONDITIONS
Spray outdoors or in a well-ventilated area. Protect surrounding areas. Best results when air and surface temperature is between 40°F (4.4°C) to 80°F (26.7°C). For best results, do not use in high humidity.

CHARACTERISTICS
Color: Gloss: 20 Colors
Flat: Black, White
Satin: 15 Colors
Coverage: Estimated 25 square feet
Drying Time, @ 77 °F, 50% RH:
Drying time and recoat times are temperature, humidity, and film thickness dependent.
Touch: 25 minutes
To Handle: 2 hours
Recoat: Within 2 hours or after 48 hours
Vehicle Type: Alkyd
Finish: Gloss, Satin, Flat
Volume Solids: 11 - 13%
Weight Solids: 17 - 24%

CAUTIONS
CONTAINS ACETONE, ALIPHATIC & AROMATIC HYDROCARBONS, DIMETHYL CARBONATE, ETHYL 3-ETHOXYPROPIONATE, DANGER! EXTREMELY FLAMMABLE. Keep away from heat, sparks, and open flame. Vapors will accumulate readily and may ignite explosively. Keep area ventilated during use and until all vapors are gone. DO NOT SMOKE - Extinguish all flames, pilot lights and heaters - Turn off stoves, electric tools and appliances, and any other sources of ignition. CONTENTS UNDER PRESSURE. Avoid prolonged exposure to sunlight or heat from radiators, stoves, hot water and other heat sources that may cause bursting. Do not puncture, incinerate, burn or store above 120°F. Keep upright in a cool, dry place. Do not discard empty can in trash compactor.

SURFACE PREPARATION
WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. Contact the National Lead Information Hotline at 1-800-424-LEAD or log onto www.epa.gov/lead. Surface should be clean, dull and dry. Remove loose rust and paint with wire brush or sand paper.

VAPOR HARMFUL. May affect the brain or nervous system causing dizziness, headache or nausea. Causes eye, skin, nose and throat irritation. Use with adequate ventilation. Avoid continuous breathing of vapor and spray mist. To avoid breathing vapors or spray mist, open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headaches, or dizziness, increase fresh air or wear respiratory protection (NIOSH approved) or leave the area. Avoid contact with eyes and skin. Wash hands after using.

FIRST AID: In case of eye contact, flush thoroughly with large amounts of water for 15 minutes and get medical attention. For skin contact, wash thoroughly with soap and water. In case of respiratory difficulty, provide fresh air and call physician. DELAYED EFFECTS FROM LONG TERM OVEREXPOSURE. Contains solvents which can cause permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. DO NOT TAKE INTERNALLY.
